We promote British Values in the following ways:

Democracy

- Our School Council promotes the democratic process - pupils nominate and vote for their representatives within the School Council
- Our marking policy encourages feedback enabling pupils to respond to and influence the learning process
- Children create and adhere to class rules
- Pupils and parents are surveyed regularly and the results of those surveys inform aspects of the School Improvement Plan
- Children are encouraged to voice their opinions in formal and informal ways (suggestion boxes, questionnaires, e-safety group)

Individual Liberty

- Children are provided with boundaries which encourage them to make choices safely
- Pupils are encouraged to respectfully express their views and beliefs
- Pupils have key roles and responsibilities within school, such as, School Council, E-Safety Team, House Representatives etc.
- Pupils have the opportunity and are encouraged to take part in a broad range of extra-curricular activities
- Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advised how to exercise these safely, for example, through our PHSE and E-Safety lessons.
- Pupils know who to speak to if they are worried or concerned about themselves or others, e.g. safeguarding officers, teachers, pastoral team

Respect of those of different faith and beliefs

- We celebrate major world religion festivals throughout the year
- Our RE and PSHE curriculum provides children with a broad and balanced understanding of world religions and promotes respect for the beliefs of others
- Our diverse staff is representative of our school community
- We provide resources to ensure that all pupils are effectively integrated into the teaching and learning process and the wider school community, including those that join at different starting points and those who have English as an additional language

Mutual Respect

- School rules reinforce mutual respect
- All members of the school community treat each other with respect and model this in behaviour with colleagues and pupils
- Pupils work together in different groupings and situations in different lessons and subjects
- All pupils participate in live productions and assemblies throughout the school year

The Rule of Law

- We have clear rules and expectations of behaviour and a Whistle Blowing policy which is adhered to by all pupils, staff and other stakeholders
- Each class has a class code of conduct created by the pupils at the start of each academic year
- School assemblies follow regular themes and include e-safety, road safety, stranger danger and caring for the environment
- Attendance and punctuality is good and all stakeholders are aware of the importance of being at school
- Pupils follow, respect and understand the need for different rules in different situations, i.e. PE lessons, school visits, classrooms and the playground
- Pupils are awarded weekly certificates in recognition of their learning behaviours
- Visits from emergency services and MPs/councillors, reinforces the rule of law and the reasoning/purpose behind them
- The school supports pupils in regulating their own behaviour to make choices for the well-being of themselves and others
