

Curriculum Drivers

Ambition	Aspirations	We will support pupils in identifying and setting goals and aims so that they are always trying to achieve their full potential and be the very best that they can be; and once these goals are achieved, we will strive for more!
	Resilience	We will provide learning opportunities that present challenges and chances to work on problem solving so that pupils develop the skills and capacity to recover quickly from difficulties, refocus on success and manage themselves to the next success point.
	Creativity	We will celebrate inventiveness, offering learning opportunities to teach, encourage and develop pupils' imagination, ingenuity and innovation so that original ideas are explored and built upon and learning between subjects is used to best effect.
Bravery	Courage	We will inspire pupils to engage with their learning even when they are concerned about their likely success; encouraging pupils to be of strong character and to 'have-a-go' at tasks, learning and opportunities.
	Determination	We will facilitate opportunities for pupils to work independently and with others, supporting them in developing the skills and attitudes needed to persevere and show fortitude in the face of adversity so that they can attain their goals and aims.
	Curiosity	We will nurture natural curiosity; encouraging our pupils to imagine, enquire, question and investigate so they think critically and solve problems, becoming increasingly enterprising.
Respect	Tolerance	We will ensure that pupils develop the ability to rationally consider different opinions and views and are willing to explore cultures rich in diversity; they see differences as opportunity to learn and understand about the lives and cultures of others.
	Communication	We will teach and develop the skills necessary to communicate thoughts, ideas and feelings across a range of contexts whilst listening and considering the opinions and views of others. This will in turn equip pupils with rich vocabulary and language skills.
	Courtesy	We will promote a culture where all pupils treat one another with kindness and consideration. We will teach pupils to show politeness in their attitude and behaviour towards others; good manners will be promoted and expected.
