Make a model of an animal habitat.
Be creative!

Create a quiz about living things and their habitats.

Kahoot!

Organising Organisms

Research facts about Alexander the great and his great legacy.

Draw a map of the countries that Alexander the great conquered.

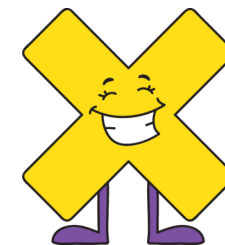

Find out more about MRS GREN and life processors.

Create a pneumonic song to help you remember it.

If you could choose any habitat to live in, which would you choose and why? Would you like to live underwater? Maybe in the desert? Write a few sentences to explain and draw a picture.

Don't forget to practise your times tables on Purple Mash!
