

The Year 4 theme until half term is Eurovision—a study of Europe

This covers many areas of the curriculum as shown below.

English - This half term, our English will be themed around the famous story “Around the World in Eighty Days” where we will base our writing around famous European landmarks. Each class has borrowed a huge box of books from Airedale Library for us to dip into whenever we wish! We will also use these materials to learn to write information texts about a European country and as a stimulus for poetry.

Maths - We will be having weekly Two Minute Mental Maths Challenges and an extra focus on multiplication tables.

Our Maths this half term will cover: Place value, multiplication, division, time, fractions, area, measure and statistics.

Music - This half term our learning continues to be focused around the song: Mama Mia. The material presents an integrated approach to music where games, the interrelated dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments are all linked.

ICT - We will be learning how to design, write and debug using the Scratch computer coding program.

Languages - This half term our topic is Quelle heure est-il? This is a unit on telling the time in French.

Geography - Our geography work will focus on European countries with each class having a country that they will specialise in. We will locate the countries on a map and look at their capitals, flags, food and physical and human features.

4D - Poland 4G - France
4P - Italy 4U - Germany

Art & Design - Our DT work will involve us investigating European landmarks with an aim of designing and creating a stable structure based on our country of study. We will explore the strength of different materials to produce this landmark.

Enrichment - After lunch on Thursday, Year 4 pupils will be involved in afternoon activities designed to enrich the curriculum. Each class will take turns at all activities over the course of the year.
