

Visitors and volunteers at our school bring with them a wealth of skills and experience that can enhance the learning opportunities of the children. Airedale Junior School welcomes and encourages them.

Visiting and Becoming a Volunteer

We have many requests from a variety of people who wish to visit or volunteer. These may be parents of children at the school, members of the local community or individuals interested in pursuing a career with children. It is important that we keep track of who is working in our school, where they are placed and for how long they will be with us. For this reason all requests from visitors and volunteers should be directed to the Senior Leadership Team who has responsibility for the organisation and/or placement of such individuals.

Our Vision

At Airedale Junior School, we seek to create a sense of community through an ethos of achievement, enjoyment and compassion in a safe and caring environment, where everyone is valued. We strive to provide the opportunity for all pupils and staff to achieve their full potential. We aim for excellence in all areas of school life and will achieve this by inspiring and preparing our children and staff to embrace the challenges of life with a positive attitude, with confidence and with respect.

Our Aims

- To cultivate a caring, tolerant community within a safe environment, in which everyone feels secure, valued and respected; a community in which everyone can work as a team, supporting, encouraging and praising all achievement; creating a happy, caring school, where success is celebrated and mistakes can be learned from.
- To provide a good education for all children through a curriculum that is exciting, stimulating, challenging and builds self-confidence.
- To provide high quality teaching and learning for all pupils, at all stages of school life.
- To raise standards of attainment through secure progress for all children.
- To establish a modern, vibrant and inspiring learning environment in which the physical, personal, social and intellectual potential of all members of the school community is fully developed.
- To strive for excellence and set the highest expectations for all members of the school community.
- To involve parents fully in the education of their children through regular communication, knowledge of the curriculum and the shared recognition of success.
- To sustain a community spirit, with parents, pupils and staff working in partnership and with mutual respect for each other.

- To promote good citizenship and qualities which include tolerance, empathy and compassion.

Confidentiality

Visitors and volunteers in school are bound by a code of confidentiality. Any concerns that visitors and volunteers may have about the children they come into contact with should only be discussed with the class teacher or a member of the Senior Leadership team. Visitors and volunteers concerned about what another adult in the schools says or does, should raise the matter directly with the Head Teacher.

Supervision

All visitors and volunteers are under the supervision of a teacher. Teachers retain responsibility for the children at all times. Visitors and volunteers should have clear guidance from the teacher as to how an activity involving children may be carried out and what the expected outcomes of any activity are. Visitors and volunteers are encouraged to speak to the teacher if they have a query about any aspect of a child's understanding or behaviour.

Health & Safety

The school has a Health and Safety Policy available on request from the Senior Leadership Team or to download from the school's website. Teachers ensure that visitors and volunteers are made aware of any emergency procedures (e.g. fire alarm, lockdown procedures) and about any safety issues associated with a particular task. Visitors and volunteers are asked to exercise due care and attention and report any obvious hazards or concerns to the teacher. Visitors and volunteers must not deal with any situation regarding a child's personal hygiene, administer medicine or give first aid.

Safeguarding

The welfare of our children is paramount. To ensure the safety of our children we adopt the following procedures:

- All visitors and volunteers are given a copy of the Visitors and Volunteers Policy
- All volunteers must apply, providing school with key information (appendix 1)
- All volunteers must sign a Visitors and Volunteers Agreement (appendix 2)
- All volunteers supporting on a school trip must sign Volunteers Educational Visit Agreement (appendix 3)
- The school reserves the right to ask for a character reference if necessary
- We encourage *all* visitors and volunteers who work with children to have a Disclosure Barring Service (DBS)
- Anyone visiting or volunteering on a regular basis and who has substantial access to children *must* have a full, up to date DBS check.
- All visitors and volunteers must sign in at Reception and wear the provided identification badge whilst on the premises
- Under NO circumstances must you work alone with a child without DBS

How to respond to a disclosure
